

Banquet and Party Menu

Making most of the items on our menu from scratch is something in which we take great pride. We are using fresh chicken and beef, and serve local products such as Marzetti's Dressings, Ezzo Pepperoni, the Auddino's Sub Buns and Panini Bread. The bulk of our ordering comes from Ohio based companies, thus giving back to our community and state.

Thank you for all of your support,
The Gallo's Tap Room Family
